The STATE LIFE is the only Home Life Company in North Carolina. It is the only Company that invests all its funds in the State. All its money is kept at home and circulated among our own people.

Out of fifteen companies reported to the N.C. Insurance Department, the N. C. State Life issued more policies in the State, than all of the rest put together.

Company's rates are as low as those of any first-class Company.

Every man rich or poor needs Insurance. It will cost a man aged 30 about five cents per day to keep his life Insured for One Thousand Dollars.
