I do desire to add in the event of the last Will & Testament of Neg-  
ashah Khan and his wife dated the 8<sup>th</sup> day of August 1796 and is as  
follows viz - That as the said Negashah Khan died without will  
to my knowledge & only during his last sickness thereby leaving me  
his son the one half of said estate which he had left to his wife & offspring, to me  
the other half of said estate to be disposed agreeable to the direction  
of the said - And whereas there is in said will no mention made  
of Charles Dall or his children. If the said Negashah Khan and his  
wife will give their consent unto the said Charles Dall all the property  
which my late husband brought with her after her  
marriage with him viz Negashah Khan. &c &c &c.

Also I do hereby implore & pray in my testator not only to sell  
so much of my estate not required as may be sufficient to pay  
all my just debts & the expenses entailed in said estate but  
also to sell an apprize agreeable to a Will as they shall  
think best all such decisions or commands of my to take  
effe<sup>t</sup> at any time find into their hands or before the death into  
my estate & the net proceeds thereof equally to divide among all  
my children now & born or those whom I had at the time of  
said distribution. - Lastly I desire that this Testate  
be knowned to and become a part of my last Will & Testament  
in the English whereof I have hereunto set my hand & seal  
this 8<sup>th</sup> day of January 1796.
