(Small Collections—Education) 2 folders

ABSTRACT

Located at 11201 Old Statesville Road, in Huntersville, North Mecklenburg High School opened on September 4, 1951. North Mecklenburg greatly expanded during the 1950s and 1960s, with increases in building size, curriculum, and student population. During the 1965-1966 school year, it became one of the first Charlotte Mecklenburg Schools to become integrated. By the turn of the 21st century, the student body of North Mecklenburg High School was the largest in the state, and further buildings were added. To help with the growing student population, Hopewell High School was opened in 2001. North Mecklenburg continues to rank among the top schools in the country, with a motto of “exceeding the standards.”
